Magic Numbers

At Orange we understand that there are certain people in your life you need to stay close to. With Magic Numbers, you can talk for up to an hour for only 15p so you can afford to spend more time having a good old chinwag.

Magic Numbers allows you to call the people closest to you and talk for up to an hour – but you only have to pay 20p. So if you spend a lot of time on the phone to your Mum or Dad, your boyfriend, girlfriend or your best mate, a Magic Number could potentially save you a packet. Magic, isn't it?

Orange lets you choose 3 Magic Numbers when you join. All you need to do is make sure that you top up by at least £10 a month.

Your chosen Magic Numbers must be Orange numbers, and calls made within the UK. A fair usage policy of 6 hours per day applies per Magic Number.

Call Customer Services on 450 to register your details and choose your first Magic Number.

For more information call 452 or if you're already a registered Orange customer go to orange.co.uk/magic and set up your first Magic Number on the net.

Reserve Tank

With Reserve Tank, you've always got an extra £2.50 to finish what you say, so you don't need to worry about running out of credit. Calls and text cost only 5p more, but as soon as you top-up, the call costs go back to normal. It's free and easy to activate – just text TANK to 2002. You'll be asked if you want to switch it on when you run out of credit.

Your Group

As an Orange customer you already enjoy lots of benefits. But if you're a couple, group of friends or a family on pay monthly and pay as you go, you can get even more if you combine your phones together on one Your Group account.

- Unlimited free calls between all members of your group*
- one monthly invoice that includes every PAYM plan in Your group account and all Top Ups to PAYG plans
- 2 free 30-second or one 60-second call for pay as you go customers every time their credit runs out, so they always stay in touch
- set up convenient weekly or monthly top-ups from a minimum of £2.50 a week or £10 a month

*One member of Your Group must be a pay monthly customer. Calls to other Your Group phones on the same account are subject to a fair usage policy of 3000 minutes per month per user. Pay as you go customers must have at least 10p available airtime credit to make free calls to other Your Group subscribers on the same account.

For further details go to orange.co.uk/yourgroup or call customer services on 450.

Topping up

Topping up has never been easier, with a range of great choices for you to top-up your Orange pay as you go phone by £5, £10, £15, £20, £30, £40 or £50.

Using your credit or debit card to top-up gives you the flexibility to top-up at anytime – at home, at work or abroad. Call us on 450 and register a card, make sure you have all your details with you when you call. Then whenever you want to top-up you can choose one of the options below:

- call Orange direct on 450 and select option 1
- text the last 4 digits of your card, the top-up amount and your 3 digit card security code to 2886
- go to Orange plus on your menu and select pay as you go then top up
- visit orange.co.uk/youraccount and select the mobile account section
- visit the Your Account section on Orange World on your phone

Why not set up an Automatic Top-up so that your phone is automatically topped up whenever you hit an agreed limit. Just call 450 to set it up and if you use Automatic Top-up before 31st August 2008 we'll give you £5 free credit.

If you're out and about you can also top-up through selected cash machines. Your Orange phone will be topped up immediately and the cash machine will print a receipt for your records.

Alternatively use the Orange top-up swipe card. Register it by calling 450 free from your Orange phone. Then, wherever you see the Orange logo and top-up symbol, hand your card over to top-up.

Orange e-vouchers are available at thousands of retailers. Go to orange.co.uk/youraccount or call 450 to register the voucher number and activate the top-up.

For more details on how to top-up in the UK and abroad please visit orange.co.uk/top-up

9. Get £5 of free calls and texts – every week

We like to reward our best customers. So if you use £10 on calls and texts in a week, you'll get an extra £5 free to use that week. You can find out how much credit you've used by dialling **453** for an update. And every week you use £10, we'll give you an extra £5 for free.

Your free calls and texts last until the end of the week (Monday to Sunday). So make sure you use them up.

10. Free evening and weekend text

As an Orange pay as you go customer, you could get up to 3000 free texts every single month. If you bought your phone online, and you top-up by £15 or more every month, you'll automatically get 3000 free evening and weekend texts.

The offer is available to specially selected, existing Orange pay as you go customers who are offered it through Orange originated SMS or direct mail customer communications. The free texts do not roll over, so make sure you use them up each month.

You can no longer purchase free evening and weekend text.

11. Text saver

Orange text saver allows you to text for less than 10p per message.

- for an annual fee of £19.99, text saver gives you 1825 text messages and £5 of credit
- text saver covers the first five text messages you send each day. Further text messages sent that day will be charged at the standard rate of 12p per message
- text saver applies to standard person to person UK texts only. Texts to request services or to enter competitions, for example, will be charged at the published rate

please note: text saver cannot be used with either talk saver or Orange out here. Your phone must have credit to take advantage of inclusive texts.

You can no longer purchase text saver.

12. Talk saver

Orange talk saver allows you to save 60% on calls between you and someone else on pay as you go.

- talk saver costs £19.99 a year
- each talk saver pack contains two vouchers. You keep one, and give the other one to another pay as you go customer
- you can both register your vouchers by calling 450 from your Orange phones
- you'll both then get 60% off any calls you make to each other, for a whole year
- when you're first year is up, you can both renew talk saver for just £9.99 each

please note: talk saver cannot be used with either text saver or orange out here.

You can no longer purchase talk saver.
